# Cap & Trade: Deja Vu

## Green Energy Act

- Hidden carbon tax
- Slush funds to buy constituencies to promote the government's agenda
- Accounting nightmare
- Gov't claimed its Green Energy Act would "save households and businesses money, create good jobs in clean tech and construction, and generate opportunities for investment in Ontario"
- Unprecedented corruption

## Cap and Trade

- Hidden carbon tax
- Slush funds to buy constituencies to promote the government's agenda
- Accounting nightmare
- Gov't claims C&T will 'save households and businesses money, create good jobs in clean tech and construction, and generate opportunities for investment in Ontario'
- Risk of corruption
