Are you a professional practicing in Durham that assists their clients with any aspect of financial, legal, accounting or other area of their wealth?

The Chamber is pleased to introduce the launch of the Durham Professional Advisory Group in September as a new component of the value added services provided through the Greater Oshawa Chamber of Commerce. The Chamber will be hosting an information session on Thursday, September 11, 2008 at the Officer's Mess Ontario Regiment Simcoe Street North from 5 p.m. to 6 p.m. where you will have the opportunity to understand more about this exciting group.

"The intent of the group is to create a monthly format for professionals involved in any aspect of wealth management" stated committee organizer Geoff Michie, RBC Dominion Securities, "it includes accountants, lawyers, investment advisors, insurance specialists, financial planners, bankers, and any other advisory professionals."

There are 3 primary purposes that it is intended to serve: educational/updates sessions by local professionals on a cross section of topics that allow us to better serve our clients, gain a better understanding of the vast pool of talented resources within our business community and to have a chance to network on a frequent basis.
